## Choosing a nursery, playgroup or nursery class in a primary school

---

### Questions to ask:

- Is the nursery open all year?
- What hours is it open?
- How long is the waiting list?
- Will I have to pay and, if so, how much?
- Are the staff welcoming and enthusiastic?
- Do the children look happy and busy?
- Do the staff have a genuinely caring and friendly relationship with the children; a calm atmosphere with no raised voices.
- Is the nursery well equipped, with toys in good condition?
- Is there a comfortable area where children can relax?
- What are their policies on discipline, mealtimes, equal opportunities and complaints?
- What range of activities do they have?
- Will my child be able to play outside each day?
- How does the day fit round playtime, meals and rest periods?
- What qualifications do the staff have?
- Does the nursery encourage parental involvement, and in what ways?
- Can I see the nursery's Ofsted inspection report? ([www.ofsted.gov.uk/reports](http://www.ofsted.gov.uk/reports))
- Will my child be offered fresh fruits and vegetables?
- Does the nursery cater for special needs?
- Can I make a second visit?
- Does the nursery allow a settling in period when parents can stay with their child?

### What will my child do there?

Children have fun, indoors and outdoors, with sand and water, painting, books, construction, imaginative toys, music and movement. They play in small groups to help them make friends. The routine of play, meals and rest are as much like home as possible.

All childminders, nurseries, playgroups and school nursery classes follow the Early Years Foundation Stage. This starts at age 0 and continues until the child is 5. It is divided into four themes:

- a unique child;
- positive relationships;
- enabling environments; and
- learning and development.

The "positive relationships" theme focuses on the relationships between key staff, the children and their parents. These close and supportive relationships help meet the needs of all children.

The “Learning and Development” theme uses play to help children develop their learning in six areas:

- personal, social and emotional development;
- communication, language and literacy;
- problem solving, reasoning and numeracy;
- knowledge and understanding of the world;
- physical development; and
- creative development.

Staff observe the children, and use their knowledge of individual needs, to plan provision that will help children reach their full potential.

## What if my child has special needs

The Learning Trust welcomes children with special educational needs (SEN) or disabilities, and all nurseries and playgroups are expected to make reasonable adjustments so that all children can enjoy the activities on offer.

Each nursery has an SEN co-ordinator (SENCO) who will work with you and your child. They are linked into a wider network of specialist support staff. Some playgroups have had funds to employ more staff with the expertise to support children with special needs. This means they can give more support to children who have a greater level of need. These groups have **SEN** next to them in the list.

If you think your child may have special needs, talk to your health visitor or doctor.

If you are concerned about your child’s speech, language or communication skills, drop into your nearest multi-purpose children’s centre. They have monthly “Talking walk-in” sessions run by speech and language therapists.

These large children’s centres also hold monthly drop-in sessions with dieticians if you are worried about your child’s diet.

## Monitoring and inspecting nurseries

Ofsted (Office for Standards in Education, Children’s Services and Skills) regulates, inspects and produces reports on childcare and education providers. All published reports are available on the Ofsted website. To search for a report, which can be downloaded and printed, go to [www.ofsted.gov.uk](http://www.ofsted.gov.uk) and click on the inspection reports tab.

If you have no access to the internet please contact the FIS or the provider directly for information.

Ofsted, registers and inspects all nurseries and playgroups. Ofsted checks:

- ratios of staff to children
  - 1 staff member to 3 children under 2 years
  - 1 staff member to 4 children aged 2 years
  - 1 staff member to 8 children aged 3–5 years
  - in nursery classes with a qualified teacher and nursery nurse; 1 staff member to 13 children aged 3-4
- the size and suitability of premises
- activities and care
- staff qualifications and police checks
- employment practices
- record keeping

# Free Nursery Education

## Free part-time nursery education for all 3 to 4 year olds

Nurseries are places where children under 5 years old can play, learn and have fun in groups while their parents are busy elsewhere. Research has shown that nursery education is good for children's development and that going part-time is as good as going full-time.

All children between the ages of 3 and 4 are entitled to **free** part-time nursery education. The places are available, during term time only, in school nurseries, children's centres, day nurseries and playgroups. Children can join at the start of the term following their third birthday (see the table below for details).

Your child can spend up to 15 hours a week in the nursery, but to qualify for the full 15 hours they must be there at least three days a week during term-time.

You don't have to apply for a free place and it doesn't matter how much you earn. The nursery or playgroup will simply ask you to sign a form, which they will send to the Learning Trust to claim back the costs. Nurseries and playgroups may have different ways of admitting children, so you will need to check with them first. If your child goes to more than one nursery, school nursery class or playgroup, only the first 15 hours a week during term-time will be free.

If your child goes to a nursery or a playgroup outside Hackney, they will still be entitled to a free place.

If you only want the free place, and don't want to pay any extra, you should contact playgroups and nursery classes as these places are usually part-time during term-time. You will need to put your child's name on the list for one of these places when they are aged 2½. School nursery classes usually take children aged 3½, which may be a few months later than a playgroup.

You might be able to get a free place at a day nursery or children's centre, but you will most likely have to pay for any extra hours or weeks.

If you are working or studying, and need more than the maximum 15 hours, then a day nursery or children's centre will probably be best for you. The nursery will take the free hours off your bill.

## When can my child start?

Date of 3 <sup>rd</sup> birthday	Term funding starts from
1 January – 31 March	1 April
1 April – 31 August	1 September
1 September – 31 December	1 January

---

## Other help with paying for childcare

---

### Child Tax Credit

Many families with at least one child are entitled to this.

Visit [www.hmrc.gov.uk/taxcredits/](http://www.hmrc.gov.uk/taxcredits/) or call the helpline on 0845 300 3900 (Monday to Friday, 8am – 8pm; Saturday, 8am – 4pm).

### Working Tax Credit

Many low and middle-income families can claim working tax credit. You could get up to 70 per cent of your childcare costs.

Visit [www.hmrc.gov.uk/taxcredits/](http://www.hmrc.gov.uk/taxcredits/) or call the helpline on 0845 300 3900 (Monday to Friday, 8am – 8pm; Saturday, 8am – 4pm).

### Childcare vouchers for working parents

Some employers offer vouchers to help employees paying for childcare. You usually give up a set amount of your salary in exchange for childcare vouchers. You don't pay tax or National Insurance on the first £55 a week.

Visit [www.payingforchildcare.org.uk](http://www.payingforchildcare.org.uk) for the “Help with childcare costs for working parents” fact sheet.

### In Work Credit for lone parents who have just started work

If you are a lone parent and have been on benefits for over a year, and will start a full-time job (16 hours a week or more) soon, you could get an extra £60 a week for a year. Contact your Jobcentre Plus for details.

### Free Childcare for Disadvantaged 2 Year Olds

This scheme supports the most vulnerable families with disadvantaged children (eligibility begins a term after their 2<sup>nd</sup> birthday). Please note that all applications are by referral **only**. Application should be sent in by Professionals working with children and families, such as Health Visitors, Social Workers, Portage Worker, Speech and Language therapist etc or agencies/organisations such as Family Support Agencies, Children's Centres and other recognised agency. Self-referrals are **not** accepted.

Discuss with your Health Visitor, Portage worker or any support worker your child's and families needs. The Professional will make a referral by filling in a Common Assessment Framework (CAF) form and the application form, and forward it to the Mufti Agency Team (MAT) at the Local Children's Centre for assessment. For more information, contact Claudia Thomas on 020 8820 7595 or your local children's centre.

### Childcare support fund for parents who are studying

Further education colleges, such as Hackney Community College, have Discretionary Support Funds to help students pay for their childcare costs. This may be in an on-site nursery or a contribution towards childcare elsewhere.

## **Childcare Grant for university or higher education students**

Full-time students, who have dependent children in registered childcare, a low household income and are studying for an undergraduate degree or HND course, could get up to £148.75 for one child, £255 for two or more children.

## **Parents' Learning Allowance for university or higher education students**

This means tested grant can be claimed in addition to the childcare grant for student parents studying for a higher education qualification. It can be used for course-related costs such as travel, books, equipment and childcare.

To find out more visit [www.studentfinance.direct.gov.uk](http://www.studentfinance.direct.gov.uk)

## **Care to Learn**

Care to Learn provides young parents, up to 20 years of age, with help towards childcare and travel costs while they are learning. It includes school education (e.g. GCSE), non-employment status apprenticeship and community courses.

To find out more call the helpline on 0800 121 8989, contact your Connexions personal adviser or visit [www.moneytolearn.direct.gov.uk](http://www.moneytolearn.direct.gov.uk).

# Day Nurseries

Day nurseries provide full-time daycare for children up to 5 years old. Many may take children as young as 3 months. They are usually open from 8am - 6pm all year round and most accept parents looking for part-time places. They may be run by the Learning Trust (maintained), the voluntary sector, or as a private business. The cost of places varies. All 3 and 4 year old children are entitled to a free part-time place (from the term after they turn 3). Ask your nursery for more information. This list includes Children's Centre nurseries.

Provider	Contact	Service Description	Vacancies reported

# Playgroups

Playgroups are for children aged 2 to 5 years to learn and play in small groups, usually for 2 ½ or 3 hours in the morning or afternoon during term-time. Costs are low and parents may be asked to help in some way. Remember 3 and 4 year old children are entitled to a free part-time place (from the term after they turn 3). Ask your Playgroup for more information. Playgroups are popular with parents who are at home during the day.

\*SEN indicates that the playgroup has an extra worker for children with special needs.

# Nursery Schools and Classes

Nursery schools and nursery classes in primary schools are staffed by Qualified Teachers and Early Years practitioners. They offer free 15 hour nursery places for 3 & 4 year olds. Places are usually 5 mornings or 5 afternoons per week, although many schools offer other arrangements. Some schools also offer sessions before and after school, for which there will be a charge to parents/carers.

For Nursery Schools and classes, you should put your child's name down on the waiting list when he/she is 2 years old.

Please contact individual schools for details of session times, flexibility of places and arrangements for registering your child.

Please note that attending a school nursery class does not mean that your child will get a place in that primary school when they are 5.

Vacancies reported are usually afternoon.
